

We Won't Go Shopping While Bombs are Dropping!

Join the peaceful vigil against Bush's proposed *War on Iraq*:

Sunday, March 9th
Stevens Creek and Winchester Blvds.
1:00 pm to 3 pm
(rain or shine)

Take public transit or park in any parking lot.

War will not bring security to the U.S. or democracy to Iraq.

War will bring more death, chaos, and misery to the Middle East and further depress the U.S. economy.

The money spent on the war machine should be spent on our needs here at home.

Sponsored by:

South Bay United for Peace and Justice
South Bay Mobilization to Stop War
and others.
