illusory promise of security!**

South Bay Mobilization (SBM) and Silicon Valley for Civil Rights (SV4CR) are a broad-based, grassroots coalition of individuals and organizations deeply concerned about the Bush administration's post-September 11 crackdown on civil liberties. Our goal is to raise public awareness about the Bush administration's **civil liberties offensive** through education and participation in the democratic process and most importantly, we aim to help Santa Clara County pass resolutions **opposing the PATRIOT Act** and any further efforts by the Bush administration to erode our civil liberties. Suggested donation \$5-\$15. No one turned away for lack of funds.
